

Donald Harvey Marks, MD PhD C.V.

Hospital and Pharmaceutical Medicine / Testifying Expert / NeuroTech Innovator

MMT NeuroTech

Keesler AFB Medical Center Residency

Wharton, New Jersey

Practicing clinician and hospitalist, pharmaceutical and vaccine researcher, believer in reason, ethics, and social justice. Veteran.

Founder and CTO of MMT.NeuroTech, applying MR imaging for the objective confirmation of pain, truth / deception interrogation, and cognitive states.

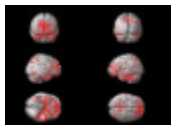

I am trained in Internal Medicine, and have a PhD in Microbiology and Immunology, both from UCLA. I am a Fellow of the American College of Physicians.

Formerly I was the Associate Director of Clinical Research, Antimicrobials, at Hoffman - LaRoche Pharmaceuticals and the Director of Clinical Research, Adult Vaccines, at Aventis Pasteur, where I was personally recognized as a vaccinologist by Dr. Jonas Salk. I am published in peer-reviewed medical journals.

I actively consult on litigation involving causation issues for adverse effects of medications and vaccines and standard of care issues.
