

Jeff Aucoin C.V.

Forensic Accountant and Fraud Fighter and Blogger and Speaker

Horne LLP

Louisiana State University

Baton Rouge, Louisiana Area

I am passionate about helping clients fight fraud and navigate the murky water of complex commercial litigation. Most recently, I have been auditing movie production expenditures to help companies receive tax incentives.

I joined HORNE in 2010. Throughout my professional career, I have been helping small business owners, corporate executives at publicly traded companies, and many others in between respond to potential fraud threat and assist in the development of controls to mitigate fraud losses. Most of my projects involve complex challenges that require creative and flexible plans to reach a satisfactory conclusion.

I have also qualified as an expert in the field of forensic accounting, including but not limited to, financial motive in arson cases, criminal murder cases and forensic accounting matters in both state and federal courts.

I have also assisted attorneys with litigation support services, including but not limited to, economic damage calculations, breach of contract claims, business interruption claims, embezzlement scheme cases, document management engagements, and bankruptcy cases.
