Mediation Services - www.CenterToResolve.com
Florida Supreme Court Certified in Circuit-Civil Matters
Pensacola, Florida

With a variety of career experiences in the fields of law, social services, and education, along with other life experiences, one thing has remained true. Patience while communicating. We provide an alternative method for people to communicate and reach an agreement prior to filing an action in court or prior to a court-hearing, in order to resolve disputes.

Headquartered in Pensacola, Florida, we facilitate attempts to reach a mutual agreement, by being a neutral, third party in Civil Court Matters. We believe honesty and integrity are the best means of resolution. We utilize time as a means to encourage parties to problem solve. Also, we guide a “Process of Resolution” to empower parties to be self-determined by assisting in the identification of the risks to the strength of a case.
