Over 24 years of investigative experience both for the prosecution and the defense. I am an investigator; it is not my job it is the very soul of me. I am a retired law enforcement officer; having specialized in child abuse and sex related crimes investigations. I also investigated and saw to successful conclusions; a variety of cases ranging from missing persons to homicide. I successfully investigated high profile cases and due to my investigations; more victims were identified. I received several awards/ commendations for my work. I investigated and brought to prosecution the biggest child molester ever prosecuted in the State of Nevada. In 2002 I was qualified as a child abuse and sex crimes investigations expert for the first time. Since then I have testified as an expert in District, Justice, Family and Federal courts. I obtained my private investigator's license and opened my own business where I work hard for my clients and provide a thorough and well documented investigation.
