

Warren Brown C.V. Mediator – Miami, Florida

Teacher at Broward Schools

School Board of Broward County

University of West Florida

Miami/Fort Lauderdale, Florida

I have been employed in law enforcement for the past twenty five years. During that time, I have been employed by four police departments and worked as a contract employee for the federal government under contracts with the US Marshal and ICE. I was assigned to patrol, criminal investigations, DARE, the police academy as a Training Advisor, and supervision. I was employed by the Miami Dade Police as a police officer as well for a year. I have been employed in education for well over forty years serving as a substitute teacher, teacher, staff, and adjunct professor at various colleges and universities.

I am now seeking to do mediation full-time, and consultation in the law enforcement area. I am certified as a mediator in civil circuit, family, appellate as well as training in foreclosure mediation and elderly mediation. I would like to seek opportunities as a private investigator and consultant.

I have a vast amount of training in law enforcement in all areas. I was recently employed by Broward Schools as a teacher of Criminal Justice. I have been employed by four school districts which hired me in positions from a substitute teacher to classroom teacher.

Specialties: I have a vast amount of training in mediation as well as law enforcement. One of the courses that I am in the middle of is training on how to handle veterans returning from the war and the problems that they present to society as well as the problems that they are trying to cope with in returning. I am willing to design these courses for the individual communities and police departments. Please feel free to contact for training opportunities.

I hold security licenses from the State of Florida. I hold a D, G, and C license as well as a DI license for security training. I have well over twenty years of security experience in lieu of my law enforcement training.
