Founder/Broker

Company Name Esquire Property Group, LLC

Dates Employed Oct 2011 – Present

Employment Duration 6 yrs 1 mo

I founded Esquire Property Group, LLC with the intention of raising a Real Estate Brokerage Business to a higher professional level. Many may not realize that most brokerage businesses have moved away from "Single Agent" relationships wherein, just like an attorney, the Brokerage has a fiduciary duty to do what is in the client's best interest. Most real estate companies now utilize "Transactional Brokerage" relationships wherein the brokerage has a much lesser duty to their clients. Our Firm specializes in Short Sales and traditional transactions and to the extent most practical continues the tradition of "Single Agent Representation." We are "Your Brokerage."
