Strength, Integrity and Experience. These are the characteristics that define the excellent Personal Injury/ Wrongful Death litigator and for nearly 25 years these are the values that have guided our practice. And they are the cornerstones of my office's philosophy to treat people with dignity and compassion as we zealously protect and pursue their interests. I and my staff work hard to provide outstanding legal representation to people and families who have suffered the devastating personal and financial effects of a serious personal injury or death resulting from the wrongdoing of others. We carry a limited number of cases and give our clients the personal attention they deserve. We prepare every case for trial, and actually try cases as appropriate. We DO NOT settle cases for less than full and fair value, and never let a case languish on the shelf, starved for attention. If we accept your case, you can rest assured that it will be energetically, proactively and creatively prosecuted. Ours is a forward thinking, forward moving practice that maximizes recovery through dedication and tenaciousness. Among our Significant Settlements and Verdicts are: \$ 2,975,000- automobile accident; \$ 1,002,700.00- automobile accident; \$ 1,000,000.00- slip and fall; \$ 850,000.00- medical malpractice; \$ 750,000- medical malpractice; \$ 650,000.00- medical malpractice; \$ 510,000.00- foot injury Multiple other six-figure recoveries

Supreme Court Certified Mediator

Company Name Florida Mediation Group

Dates Employed Jan 2008 – Present

Employment Duration 9 yrs 10 mos

I have the privilege of being selected by fellow attorneys as their case mediator. In that position, I help them resolve their cases. By pointing out strengths and weaknesses to both sides, and by bringing an impartial, objective perspective to the parties themselves, I can often find a common ground of understanding that allows the two sides to see the case the same way. Then it becomes easy to help them value the case the same way, which leads to a settlement that is fair to both sides.
