BigLaw Reporting For Small & Mid Sized Firms

Rocket Matter makes financial management fast and efficient with Advanced Analytics. These user-friendly reports allow you to measure and eliminate waste, spot inefficient billing practices and identify your firm's top performers. With Advanced Analytics, you can better understand, benchmark and measure your most important metrics.

Origination Report

Understand which one of your team members is bringing in the most business. Manage compensation based on who's responsible for bringing in new business.

Allocation Report

Keep track of the amount of client payments your attorneys bring in. This makes it easy to calculate payouts, and supports payroll structures that pay attorneys a percentage of revenues.

Matter Budgets

Set a budget for a matter and track against your projections. Keep track of the economics of all your cases and spot issues instantly.

Productivity per User

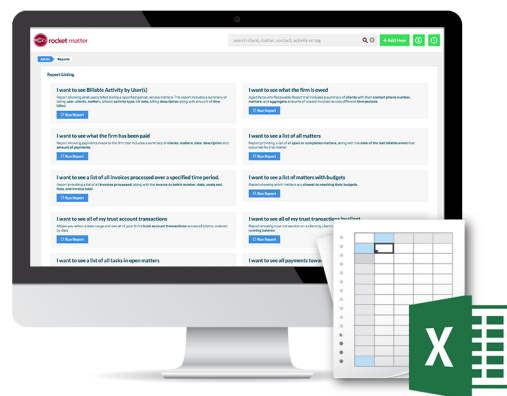

Discover how much billable versus non-billable time your employees are tracking, giving you insight to how your key money-makers are spending their days.

Productivity per Matter

Understand which of your matters is taking up most of your time. Maintain awareness of the efforts you're putting into all of your firm's cases.

Collections Report

Discover which of your timekeepers is collecting properly for their invoiced billable activities time. Spot gaps and identify your collections issues early and accurately.

Any of the reports can easily be exported into a Microsoft Excel spreadsheet for your convenience.

You can always speak to a knowledgeable U.S.-based product specialist by calling **1-888-4321-LAW**, or schedule a free online interactive demonstration at **www.rocketmatter.com!**

“RocketMatter’s new reports allow for greater insight into the productivity of the firm. Previously I would spend a significant amount of time compiling and analyzing the data, so these new reports are a welcome timesaver and tool. Their endeavor to provide and enhance these reports to facilitate management’s ability to run the Firm successfully is an invaluable commitment by RocketMatter.”
