Experience

-

Supreme Court Certified Mediator and Attorney

Company Name Fried and Fried, P.A.

Dates Employed Jan 1982 – Present

Employment Duration 35 yrs 11 mos

Location 2524 East First Street, Fort Myers, FL 33901

My wife, Linda, a Board Certified Family Law attorney and I have now practiced together over 34 years. Although she has a very active Family Law practice I became a Mediator and it became a significant part of my practice in approximately 2008. Since 2011, I have practiced virtually exclusively as a Mediator, being Florida Supreme Court Certified in Family Law, Civil Circuit, County and Dependency. I prefer to involve myself in Personal Injury and Family Law cases as a Mediator rather than as I formerly did as an advocate for one side. My experience previously having insurance companies as clients and at other times representing individuals, has taught me to look at all cases from both sides and in an impartial manner.
