

**Pam Perry C.V. Mediator – Miami, Florida**  
**Attorney/mediator at Rodriguez & Perry, P.A.**

**Rodriguez & Perry, P.A. (formerly Dresnick, Rodriguez & Perry, P.A.)**

**University of Miami School of Law**

**Miami, Florida**

For over thirty years I have assisted people with issues that threaten to destroy their fortune, their freedom, or their career.

First, as a mediator, I have settled hundreds of cases including commercial, employment, professional liability, class action, health care, personal injury, antitrust, land use and other matters. As my publications and lectures make clear, I believe strongly in merits based mediation and thoroughly prepare each case that I mediate. My articles include The Elephant Not In the Room, co-authored with Retired Circuit Judge Ellen Leesfield, (Daily Business Review, December 11, 2015); Counsel Should Prep Mediators On Issues, Dynamics of Case (Daily Business Review, July 20, 2012); and Mediator Responds to Rodent: Present Your Case, Not Just Your Number (Daily Business Review, September 17, 2012).

Second, as a lawyer, I represent people accused of misconduct by federal and state authorities, and handle complex commercial cases and a variety of health care matters described on our website, [www.rplawfirm.com](http://www.rplawfirm.com).

In addition, I have served as the Chair of the Judicial Nominating Commission for the Eleventh Judicial Circuit; the first woman President of the Florida Association of Criminal Defense Lawyers (Miami Chapter); a member of the Miami-Dade County Charter Review Task Force; and a member of the Florida Bar Committee on Judicial Independence. I have also taught Federal Criminal Practice as an adjunct professor at the University of Miami School of Law and served on many different legal and community organizations.

Finally, I have been an AV rated lawyer since 1990, received the G. Kirk Hass Humanitarian Award from The Florida Bar, and am consistently listed in Florida Trend's Legal Elite, Florida Super Lawyers, South Florida's Legal Guide and other listings that make money by selling plaques to lawyers with too much wall space.
