

Deborah Alvino C.V. Certified Legal Video Expert – Pismo Beach, California
Certified Legal Video Specialist and Notary at Coastal Legal Video
Coastal Legal Video Specialists

Allan Hancock College
Pismo Beach, California

After losing my career as a court reporter because of wrist injuries from a car accident and subsequent surgeries, I went through the training and testing process with the National Court Reporters Association to become a Certified Legal Video Specialist. I opened Coastal Legal Video in 2012 and have since been joined by my daughter and son. We are also notaries. We cover the Central Coast of California from Santa Barbara to Paso Robles. I am enjoying working with the professionals in the legal field again and am proud to provide excellent video and audio services for my clients. I specialize in videotaping depositions and synchronizing video with transcripts for use in trial. Call me at 805-478-5829 to book the video for your next deposition or other legal video services. I'm looking forward to working with you soon.
