Owner

Company Name Kay and Associates Investigations

Dates Employed 1993 – Present

Employment Duration 25 yrs

Location 16161 Ventura Blvd C878 Encino, CA 91436

Kay and Associates Investigations has over 25 years of licensed in California. We have experts in all areas of investigations, from a variety of professionals such as former federal, state, and local law enforcement.

Andy Kay, owner of K&A, is one of the highest sought after investigators in construction investigations. Having been in the construction business for over 28 years, he still holds general building and general engineering licenses and is an expert in all phases of construction. From custom home building and commercial development, to grading, paving, and underground utilities, Mr. Kay is familiar with all of the regulations, equipment and trade practices. There is no better investigator in this specific industry.

The team at Kay and Associates works daily for agencies, corporations, businesses, law firms, and individuals. Cases range from small to large, with international proficiency as well. No matter how unique your case may be, we have a licensed investigator that is familiar with your situation and ready for the job.
