***Cause Arts and Culture***

Since 2006 I have been affiliated with the Moreton Bay Running Club (MBRC) located at Redcliffe. MBRC organise a half marathon aptly called the Jetty2Jetty, which is an annual event on the Redcliffe Peninsular held in July. The event is staffed by club members who volunteer their services for free. During the yearly event I have volunteered in helping with the setup and the dismantling. I have also provided assistance to the Food Co-Ordinator in ensuring all the club members were provided adequate meals and refreshments along the whole distance of the running track..

The event provides small local businesses with additional business it also allows other sporting/health organisations to promote theirs. The primary goal of the Jetty2Jetty event is to raise funds, which are then donated to nominated charities. Jetty2Jetty is now a well-known event and is patronised by runners from Queensland as well as interstate and overseas.
